

ENVIRONMENTAL REGULATIONS IN SERVICE PARK AREA

Teams are obligated to follow the directions and objectives in the Organiser's environmental policy.

All competitors are obliged to have a liquid-proof tarp of minimum 3x5m under competition cars in Service Park.

During the rally a car wash facility will be available near the Service Park. **Washing cars within the Service Park is prohibited at any time.**

Teams and competitors are responsible for the occurrence of no leakage of fuel or other liquids on the ground. Any detected fuel leakage may force the teams to dismantle their units and tents during the rally. In case of any liquid contamination, the Service Park manager must be informed immediately (Mr. Mirko Usin, +372 5330 4798)

Washing of spare parts must be done in special containers in order to avoid contamination. The organiser will have the spare part washing containers available on site if needed. All waste material must be disposed of in the facilities provided at the Service Park or Recycling area. The waste must be sorted and placed in the designated containers.

In service park are **6 sorting points** with containers for:

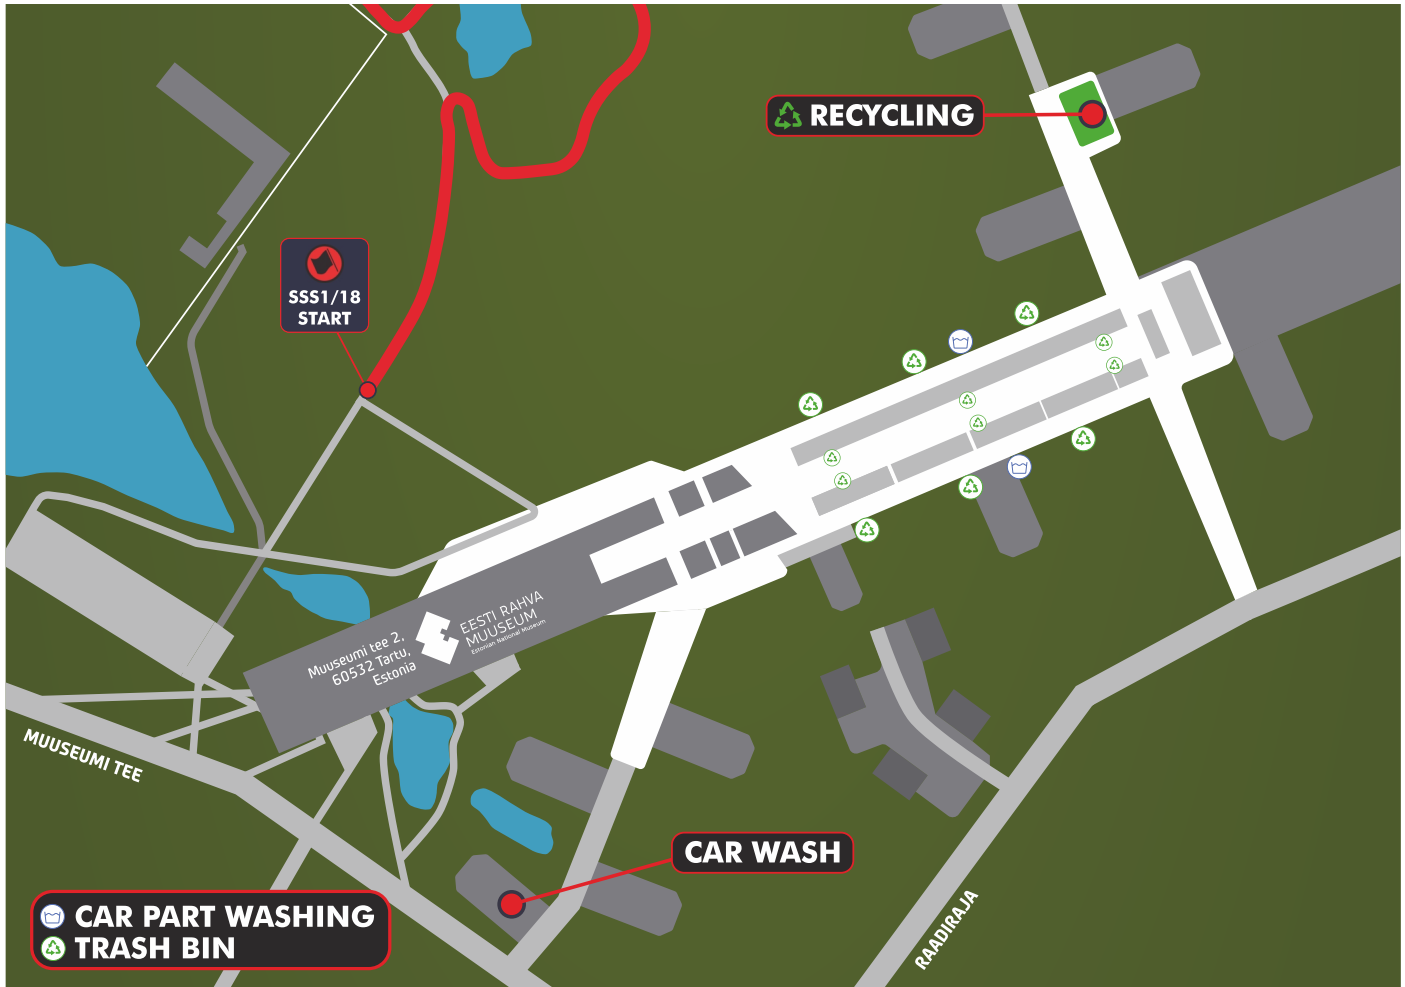

- General waste
- Bio waste
- Bottles and cans

In recycling area are containers from 10 of July to 17 of July. Recycling area is located near service park. Maps with information how to find it are next to sorting points. Also volunteers help you to find the right place and give you information how to sort.

In **recycling area** are containers for:

- General waste 30m³ x 2
- Construction waste 20m³ x 1
- Bio waste 7m³ x 1
- Car parts and tyres 7m³ x 1
- Water waste 1m³ x 1
- Motor oil 1m³ x 1
- Contaminated materials 660L x 1
- Contaminated packaging 660L x 1
- Paper and cardboard 7m³ x 1

Additionally, waste will be collected also from behind the service bays each night. Please leave your garbage bags at the back of your area to be removed.

After the rally, the Service Park has to be handed over in tidy condition.

Any infringement will result in a cash penalty of €500 per each infringement incidence.

Teams will be observed by Service Park manager and volunteers:

- Use of tarps
- Washing car parts etc. in special containers
- Car wash only at the car wash area
- Handling of hazardous waste (is it removed and is in the right container)
- Kitchen waste is separately collected
- Waste sorting - inspection and guidance
- Emptying waste containers regularly and in the evening
- Checking the filling of containers (water and waste water).
- Good environmental and sustainability examples in teams
