(FIA VISA no 14ERT/090518 issued on: 9 May 2018)

<b>Date:</b>	<b>14/07/2018</b>	<b>Time:</b>	<b>17:00 hrs</b>
<b>Subject:</b>	<b>DECISION No 1</b>	<b>Document No:</b>	<b>2.3</b>
<b>From:</b>	<i>The Stewards</i>		
<b>To:</b>	<i>Competitor of car No. 44 Prospeed Crew: Alexander Mikhaylov / Normunds Kokins</i>		

The Stewards, having received a report from the Clerk of the Course (doc.No. 3.16) summoned the crew (summons No.1) and after interviewing the co-driver of crew No.43, the co-driver of crew No.44 and SS6 stage commander Erki Põllu and having considered the matter, determine the following:

- Facts** On July 14 at 13:39 at the start of SS6 there was an issue with crew No.43, when the crew started on time but stopped with engine failure just after "SS6 start" zone for approximately 28 seconds. Due to this situation next crew No.44 did not follow the marshal's instructions and declined to give them their time card. TC6 scheduled start for crew No.44 was at 13:40, but because of crew's activities, marshals had to nominate them a new start time. The hearing of the co-driver no.43 determined that start to crew No. 43 was given before the actual start line. The further events were a consequence of this action.
- Decision** The Stewards decided to take no further action.
- Reason** The starting procedure of SS6 was not performed in a correct manner. The SS6 commander's actions were not in compliance with Art.37.1 of the 2018 FIA RRSR.
